In April, we'd like to highlight EnerNOC's [EnergySMART Conference](#) and the Clean Energy Trust Challenge 2016, both of which we are proud to sponsor. In addition, we'd like to invite you to attend [Overview of Seed Stage Financing Structures](#) featuring Mintz Levin attorney Kristin Gerber. Coming up in early May, we hope you can join us at the World Energy Innovation Forum, taking place at the Tesla Factory in Fremont, CA. The two-day Forum, which we are proud to sponsor, will be kicked off by Tesla's CEO, Elon Musk.

Are you hosting an energy event that you'd like us to include? Please reach out to Cassie Bent at [CMBent@mintz.com](mailto:CMBent@mintz.com).
