Upcoming Event: Former EPA Administrator Gina McCarthy Speaks at Mintz

Mintz and ML Strategies are thrilled to be hosting Gina McCarthy, former U.S. Environmental Protection Agency Administrator under President Obama, in our Boston office on June 20. McCarthy will be the featured speaker at the Alliance for Business Leadership "Progressive Power Hour" from 6:00 – 7:00 pm.

With the U.S. pulling out of the Paris Climate Agreement, questions are swirling about what this means for the environment, the economy, and our standing in the world. Alongside her four years as EPA Administrator, McCarthy has held lead environmental roles as a public official in Massachusetts and Connecticut. The Boston native has served as an environmental advisor to five Massachusetts governors. Her unique perspective will bring valuable insight into what can and should be done at the state level over the next few years.

We look forward to hosting McCarthy and our guests for what is sure to be an engaging conversation!
