ML Strategies has published the first installment of a new weekly preview, designed to give you quick overview of health happenings in the coming week. The preview highlights upcoming activity in the House and Senate and other hot topics on the Hill.

Spoiler alert: the confirmation processes for Dr. Scott Gottlieb (FDA) and Judge Neil Gorsuch (Supreme Court) will get a lot of attention this week.

See [HERE](#) for this week's preview and be sure to stay tuned in the coming weeks.
