

ML Strategies Weekly Health Care Preview – July 9, 2018

July 09, 2018 | Blog | By

VIEWPOINT TOPICS

- Health Care
 - ML Strategies
-

This week, Congress returns from recess to another four-week work period. The dynamics of the next four weeks might be in flux now that President Trump has nominated Brett Kavanaugh to the U.S. Supreme Court. Other issues to monitor include the suspension of risk adjustment payments and the fall out from the Kentucky Medicaid waiver ruling. We cover all this and more in this week's preview, which you can find [here](#).
