Mintz Project Analysts **Francesca Barasch** and **Grace Adebogun** contributed to this edition of the newsletter.

A Note from the Editors

Energy & Sustainability Connections brings the latest developments in energy investing, legal insights, company activity, and industry events straight to your inbox. This month's edition includes:

• Legal Feature:

PFAS' Regulatory Scrutiny Here to Stay Despite Legal Challenges, Environmental Experts Say.
[Read here >>](#)

• Client Feature:

This month, we are excited to feature **Tiburón Subsea**, a pioneering ocean technologies solutions platform encouraging sustainability efforts in subsea intelligence. Founder/CEO Tim Taylor is a world-recognized ocean explorer and entrepreneur whose successes include founding the Lost 52 Project and the discovery of nine historic US WWII submarines.

We would also like to remind our readers that you can always ask us anything at mintzedge.com/ask-anything/. We built the [MintzEdge website](#) as a resource for entrepreneurs and investors, and hope that all of you take advantage of the site and see how it can help you.

Energy and Sustainability Team — Built For This Moment

At the frontlines of the energy and sustainability revolution since the start, our team was built for this moment: to advance innovation, transform infrastructure, and scale solutions integral to business success and a thriving planet.

Authors

Thomas R. Burton, III, Member / Chair, Sustainable Energy & Infrastructure Practice

Tom Burton has helped to shape the clean energy industry by drawing on his passion for innovation. As a Mintz attorney, Tom counsels investors, entrepreneurs, and Fortune 100 companies. He also guides start-up organizations and accelerators to foster the next generation of energy leaders.

Sahir Surmeli, Member / Co-chair, Sustainable Energy & Infrastructure Practice

Sahir Surmeli is a Mintz business counselor who advises companies, boards, entrepreneurs, investment banks, and venture and private equity investors as they build and grow companies. He handles public offerings, 144A and private financings, acquisitions, joint ventures, and strategic partnerships.

Kaoru C. Suzuki, Associate

Kaoru C. Suzuki is a Mintz Associate who focuses on corporate transactions, securities law compliance, and general corporate matters. Kaoru counsels companies in various industries, including energy, clean tech & renewables, life sciences, and information technology.
