

Law360's 2021 Health Care Editorial Advisory Board

Law360 (April 5, 2021, 5:50 PM EDT) -- Law360 is pleased to announce the formation of its 2021 Health Care Editorial Advisory Board.

The editorial advisory board provides feedback on Law360's coverage and expert insight on how best to shape future coverage.

The members of Law360's 2021 Health Care Editorial Advisory Board are:

Susan W. Berson, Mintz Levin Cohn Ferris Glovsky and Popeo PC

Susan Berson serves as a division head at Mintz, overseeing the health law, communications and antitrust practices, and the firm's lobbying arm, ML Strategies. She advises managed care organizations, pharmaceutical services providers, industry investors and other health care clients. She also provides counsel on the Medicare and Medicaid programs.

George B. Breen, Epstein Becker Green

George Breen chairs Epstein Becker Green's national health care and life sciences practice. He represents health care systems, manufacturers and suppliers in government investigations; defends cases brought under the False Claims Act and other state and federal fraud and abuse laws; and counsels clients on reimbursement and compliance issues.

Deborah Kantar Gardner, Ropes & Gray LLP

Deborah Kantar Gardner focuses her practice on Medicare and Medicaid payment, compliance and enforcement matters. She helps health care clients with reimbursement matters, including payor disputes, audits and administrative and judicial appeals. She counsels clients with respect to legal and regulatory compliance with federal and state health care program authorities.

Susan Feigin Harris, Morgan Lewis & Bockius LLP

Susan Feigin Harris, a Morgan Lewis partner, counsels health care providers on a variety of federal and state health regulatory issues involving Medicare and Medicaid programs, managed care, and value-based care and payment. She has specific expertise in the pediatric space and is counsel to children's hospitals around the country.

Khaled John Klele, Riker Danzig Scherer Hyland & Perretti LLP

Khaled Klele is a partner in Riker Danzig's health care and commercial litigation groups. His representations include health care regulatory, transactional and litigation matters. He provides counsel to a variety of providers, including ambulatory surgery centers, hospitals, laboratories, imaging centers, addiction centers, skilled nursing facilities, urgent care centers and pharmacies.

David Manko, Proskauer Rose LLP

David Manko is the chair of the health care group at Proskauer and has a national practice representing clients in the health care services sector in complex business transactions and regulatory matters. After more than 25 years, he has developed deep health care industry expertise, which he leverages to provide practical, creative and actionable advice to clients.

Bill Morrison, Haynes and Boone LLP

Bill Morrison is a health care attorney with extensive experience defending corporations and executives in complex health care matters. He was the vice president and assistant general counsel at Tenet Healthcare, where he was responsible for the regulatory group, civil and criminal government investigations and litigation, FCA litigation, and malpractice litigation.

Mark Polston, King & Spalding LLP

Mark Polston leads the Medicare reimbursement litigation practice and advises hospitals and health systems on Medicare regulatory compliance issues, defends clients in health care fraud investigations, and provides strategic advice on government reimbursement for hospitals.

Lesley Ann Skillen, Getnick & Getnick LLP

Lesley Ann Skillen is a partner at Getnick & Getnick, a Manhattan law firm focused on business integrity and anti-fraud litigation. Skillen has represented plaintiffs in FCA qui tam litigation since 1993, primarily in health care, with recoveries totaling more than \$1 billion.

Andrew H. Struve, Hooper Lundy & Bookman PC

Andrew Struve is a partner in Hooper Lundy & Bookman's litigation department, based in its San Diego and Los Angeles offices. Previously, he was a partner with Brown Rudnick LLP, where he was chair of the U.S. health practice, and the co-chair of health care litigation at Manatt Phelps & Phillips LLP.

Victoria Vance, Tucker Ellis LLP

Victoria Vance is the chair of the Tucker Ellis health care practice. She has worked in private practice and in-house, for a major academic medical center. Her practice ranges from regulatory advising, counseling clients on innovative strategies, and professional liability defense.

Dennis Williams, Kirkland & Ellis LLP

Dennis Williams is a partner in Kirkland & Ellis' health care practice. His practice focuses on regulatory and transactional matters across the health care sector on behalf of strategic acquirers, private equity sponsors and others. He has been involved on many of the largest and most complex health care M&A deals in history.
