ON MOTION

———————————

Before REYNA, BRYSON, and CHEN, *Circuit Judges.*

BRYSON, *Circuit Judge.*

O R D E R

The appellants move unopposed to remand this appeal to the district court.

The appellants state that the parties have settled this matter and seek remand so that they can move the district court to vacate its October 29, 2015 judgment. The appellants represent that the settlement is not conditioned on granting vacatur.   In granting this motion to remand, the court takes no position as to whether the district court should vacate.

Accordingly,

IT IS ORDERED THAT:

(1) The motion to remand is granted.

(2) Each side shall bear its own costs.
